Structural survey for River Cruiser Class sailing yacht "Medina"

Rigging:

Standing and running rigging (visual inspection) = good

Mast, gaff and boom = good

Deck fittings = good

Hull:

planking, ribs, deck and cabin structure, all braces and supports = good

Steering gear:

Rudder and tiller = good

Keel = good

Comments:

Boat is in good, sound condition throughout. Minor cosmetic wear and tear to paint and varnish as to be expected, and traditionally remedied in routine winter maintenance.
